CURRENT YEAR NOTES:

Investigations: To conduct investigations, Buy Money for Narcotics, travel, lodging, expenses, transcribe statements, polygraph exams, towing and recovery of stolen vehicles, language interpretation and other expenses. Investigative resources such as LeadsOnline and Accurint are also included. LeadsOnline provides detectives with rapid electronic access to transactions from thousands of pawnshops around the southeast. It has help solve and recover property from several crimes in Vestavia Hills. Accurint for law enforcement is a cutting-edge investigative technology that can expedite the identification of people and their assets, addresses, relatives, and business associates by providing instant access to a comprehensive database of public records.

Buy Money: Due to the increase in the frequency that this unit purchases illegal drugs as well as the increased cost of drugs bought, this amount is needed to keep the unit funded throughout the year. This unit has spent over \$2,000.00 more this year than at this time last year and made over 30 more cases over that same time.

Investigation Supplies: Includes Evidence Technician supplies for collecting, processing, analyzing and preserving evidence.

Additionally, there are several equipment purchases that would allow tools to be distributed among our existing fleet of Tahoes to improve patrol officer efficiency when dealing with animal related calls and reduce the amount of time necessary to handle such calls. Small tools include:
