

CITY OF VESTAVIA HILLS COMMUNITY SPACES

WALD PARK

17 SEPTEMBER 2018

PROJECT STATUS

SCHEMATIC DESIGN PHASE

- The Architect shall examine and analyze available information provided by the Owner and Owner's Representative and shall advise and recommend as to additional information necessary to begin specific design work on the Project. The Architect shall assist in the development of the Owner's program.
- Upon analysis of all available information and prior to initiating any design tasks, the Architect shall participate in a preliminary evaluation project analysis with the Owner and Owner's Representative.

DESIGN CONSIDERATIONS

DESIGN CONSIDERATIONS

Planning

- **Premier Park** Central Green, Pavilion – supports all other functions
- **Neighborhoods** Park, Play, Sport, Nature, Swim
- **Balance** Formal and natural
- **Natural elements** Preserve and celebrate where possible
- **Slope** Embrace as “amenity” where possible
- **Active/Variety** Bring people together (games, activities, food trucks)

Look and Feel

- **Identity** Consistent features, materials used throughout
- **Neighborhoods** Identity for overall park, and each specific function

Identity

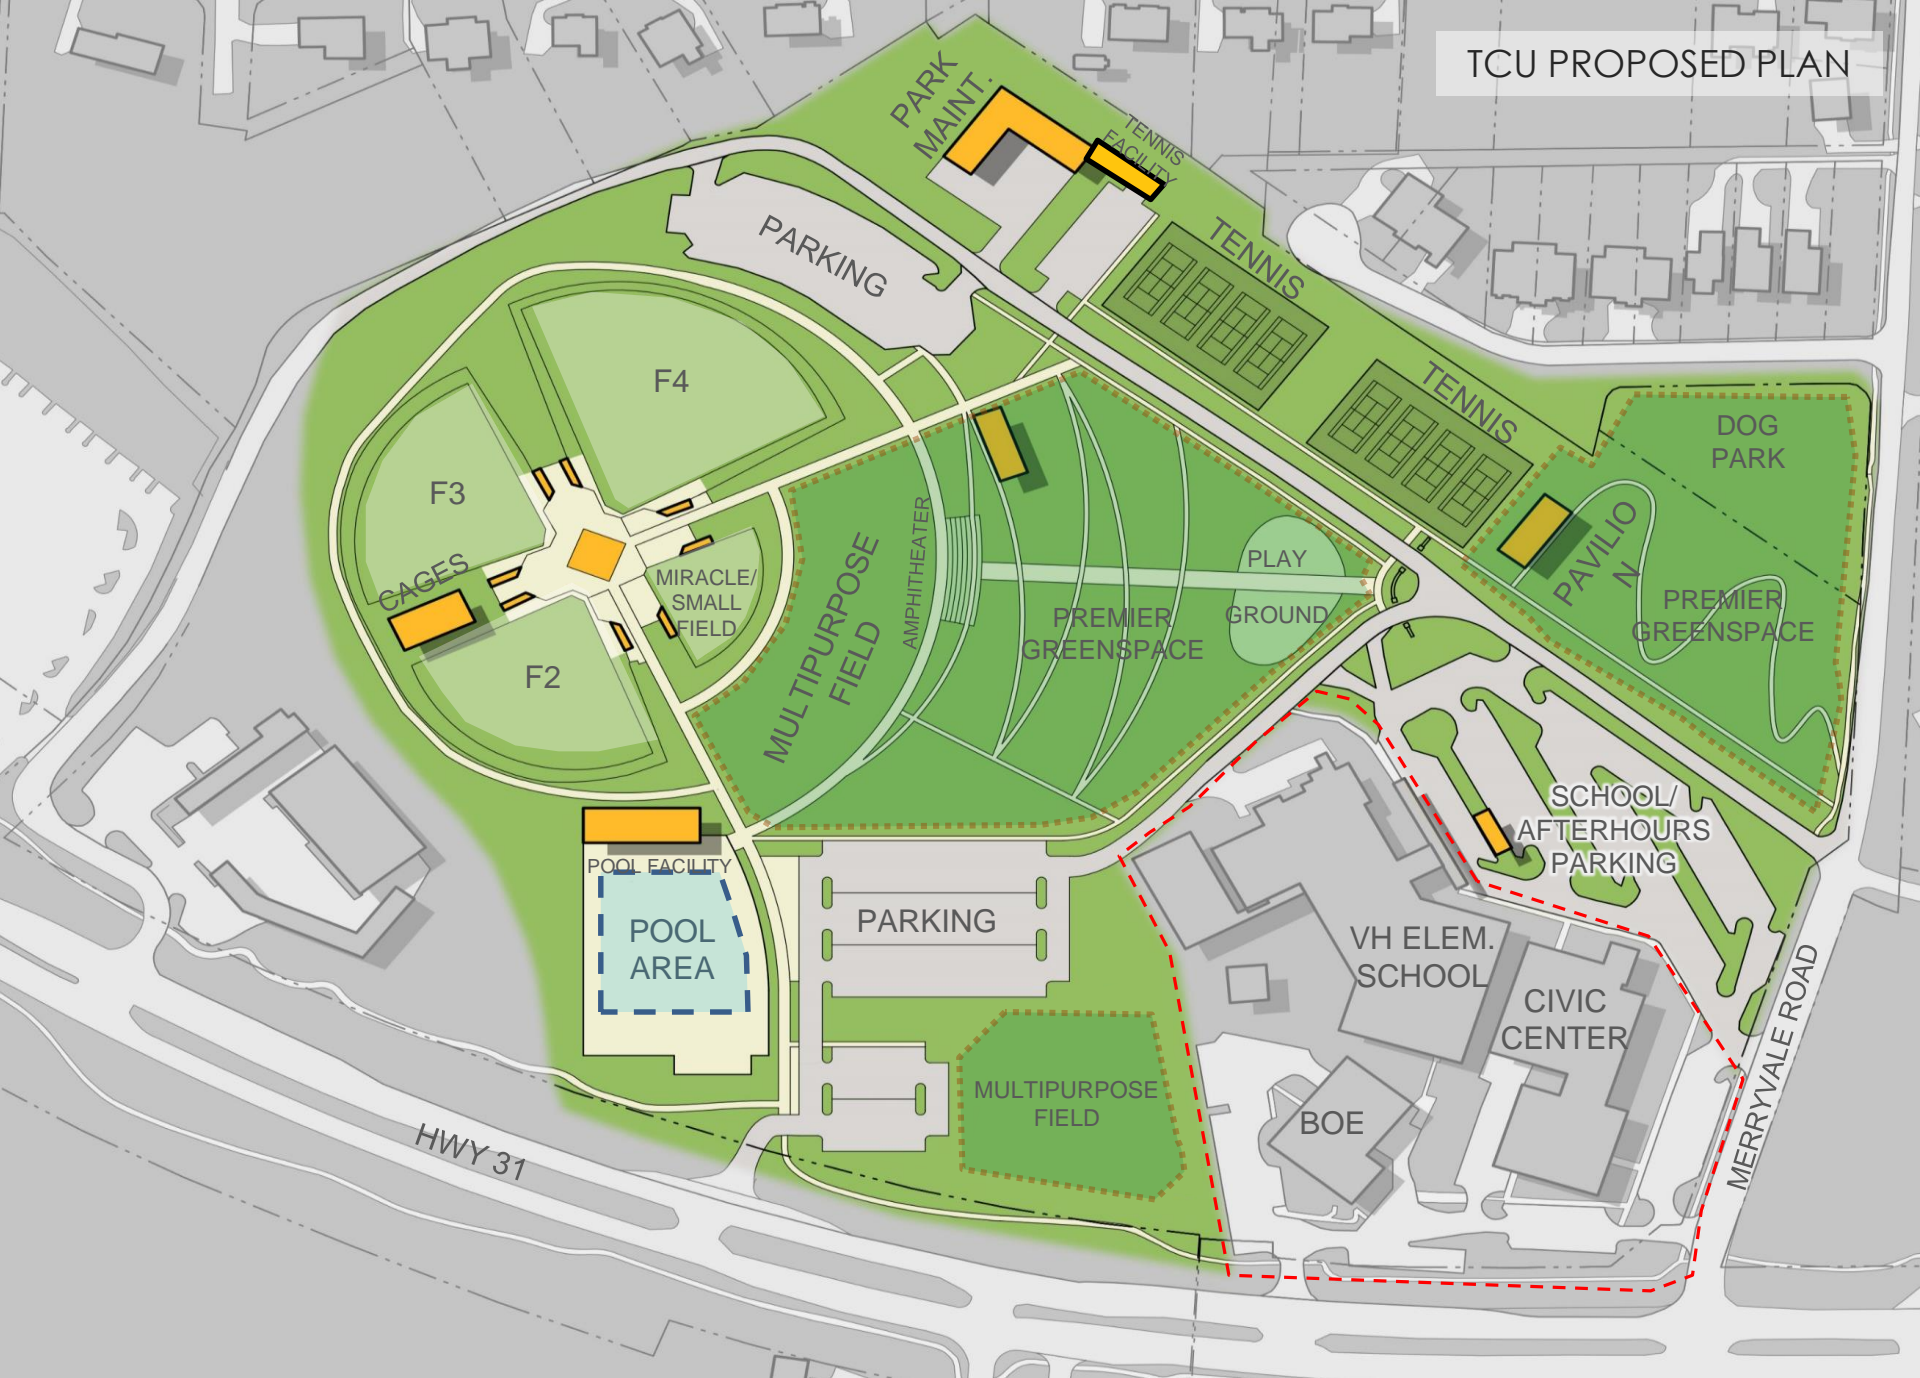

- **Heart of City** Part of collective memory
- **Livability** Integral to City’s brand/message, “the place to go”
- **Presence** Create identity from Hwy 31, and within park
- **Moments** Art, Branding, “Instagram” moments
