

CITY OF VESTAVIA HILLS  
COMMUNITY SPACES

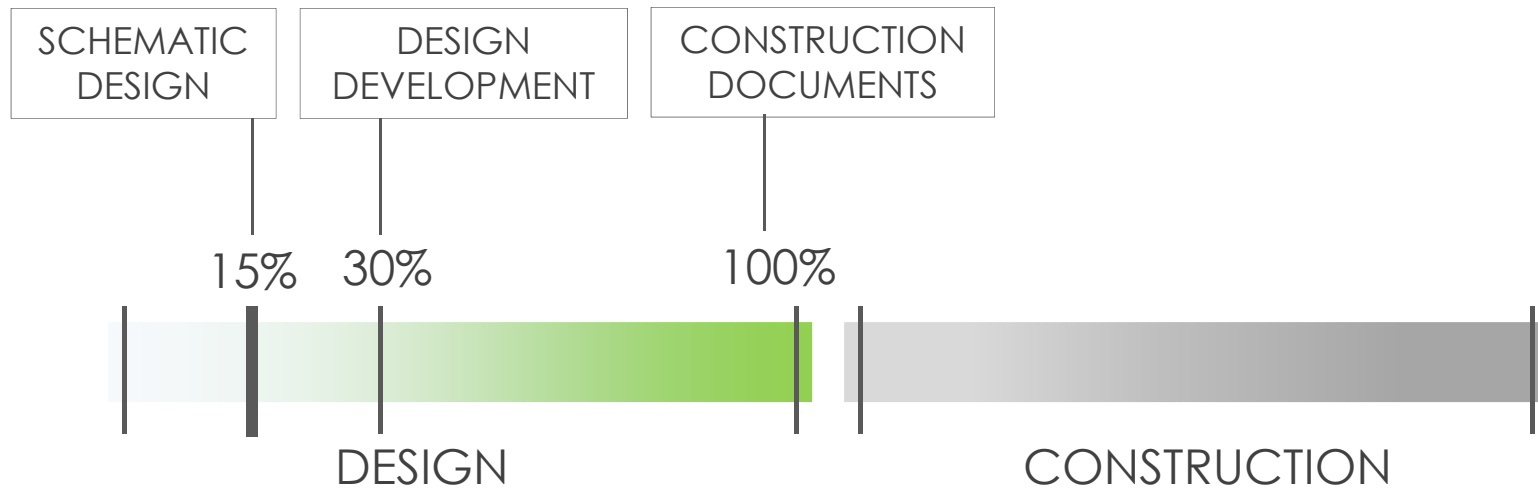

---

# CAHABA HEIGHTS ATHLETIC FIELDS

**PRELIMINARY SCHEMATIC DESIGN REVIEW**  
15 OCTOBER 2018

# PROJECT STATUS

---

---

## SCHEMATIC DESIGN PHASE

- The Architect shall examine and analyze available information provided by the Owner and Owner's Representative and shall advise and recommend as to additional information necessary to begin specific design work on the Project. The Architect shall assist in the development of the Owner's program.
- Upon analysis of all available information and prior to initiating any design tasks, the Architect shall participate in a preliminary evaluation project analysis with the Owner and Owner's Representative.

# DESIGN PROGRESS

# VISION

- Create a new identity for the park
- Create an accessible and multi-functional community amenity
- Open park spaces for play and picnic, complementary to athletic facilities
- Improve Senior Center facilities
