In Re: Fees for Park and Recreation to Non-Residents Employed by the City and Board

Dear Mr. Bevill:

I. FACTS

On February 28, 2020, you sent to me via electronic mail a request for a legal opinion regarding whether or not the Vestavia Hills Park and Recreation Board may charge resident rates to non-resident employees of the City of Vestavia Hills, Alabama ("City") and the Board of Education of the City of Vestavia Hills ("Board") for park and recreation activities. The purpose of this letter is to comply with your request.

II. LEGAL ISSUE

Will it violate the Alabama Ethic Law if the Vestavia Hills Park and Recreation Board provides resident rates to non-resident employees of the City and Board for park and recreation activities?

III. LEGAL OPINION

It is my legal opinion that charging resident rates to non-resident employees of the City and Board will not be a violation of the Alabama Ethics Law.

IV. BASIS FOR LEGAL OPINION

A. NEW ALABAMA ETHICS LAW: In December 2010, the Legislature enacted a package of ethics statutes regulating the conduct of public officials and public employees. References to that legislation are set forth below.

| <u>Act Number</u> | <u>Alabama Code Section</u> |
|-------------------|---|
| 2010-759 | Budget Accountability Act 41-19A-1, et seq. |
| 2010-760 | 36-27-1 and 16-25-1 |
| 2010-761 | 17-17-5 |
| 2010-762 | Added 36-25-1.5 |
| 2010-763 | 36-25-3, 36-25-4, 36-25-27 |
| 2010-764 | 36-25-1, 36-25-7, 36-25-5.5 |
| 2010-765 | 17-5-17, 17-5-15 |

Pertinent laws applicable to the instant question are the following statutes:

1. Definition of Public Employee: Title 36-25-1(26), *Code of Alabama, 1975*, defines a public employee as:

“(26) **PUBLIC EMPLOYEE.** Any person employed at the state, county, or municipal level of government or their instrumentalities, including governmental corporations and authorities, but excluding employees of hospitals or other health care corporations including contract employees of those hospitals or other health care corporations, who is paid in whole or in part from state, county, or municipal funds. For purposes of this chapter, a public employee does not include a person employed on a part-time basis whose employment is limited to providing professional services other than lobbying, the compensation for which constitutes less than 50 percent of the part-time employee's income.”

2. Prohibited Acts:

(a) Use of Position for Personal Gain: Title 36-25-5(a), *Code of Alabama, 1975*, states:

“(a) No public official or public employee shall use or cause to be used his or her official position or office to obtain personal gain for himself or herself, or family member of the public employee or family member of the public official, or any

business with which the person is associated unless the use and gain are otherwise specifically authorized by law. Personal gain is achieved when the public official, public employee, or a family member thereof receives, obtains, exerts control over, or otherwise converts to personal use the object constituting such personal gain.”

(b) **Solicitation or Receipt of Thing of Value:** Title 36-25-7(a)(b)(c) and (e), *Code of Alabama, 1975*, state:

“(a) No person shall offer or give to a public official or public employee or a member of the household of a public employee or a member of the household of the public official and none of the aforementioned shall solicit or receive anything for the purpose of corruptly influencing official action, regardless of whether or not the thing solicited or received is a thing of value.

(b) No public official or public employee shall solicit or receive anything for himself or herself or for a family member of the public employee or family member of the public official for the purpose of corruptly influencing official action, regardless of whether or not the thing solicited or received is a thing of value.

(c) No person shall offer or give a family member of the public official or family member of the public employee anything for the purpose of corruptly influencing official action, regardless of whether or not the thing offered or given is a thing value....

(e) For purposes of this section, to act ‘corruptly’ means to act voluntarily, deliberately, and dishonestly to either accomplish an unlawful end or result or to use an unlawful method or means to accomplish an otherwise lawful end or result.”

3. **Thing of Value:** Title 36-25-1(34), *Code of Alabama, 1975*, defines “thing of value” as:

“(34) THING OF VALUE.

a. Any gift benefit, favor, service, gratuity, tickets or passes to an entertainment social or sporting event, unsecured loan, other than those loans and forbearances made in the ordinary course of business, reward, promise of future employment, or honoraria or other item of monetary value.

b. The term, thing of value, does not include any of the following, provided that no particular course of action is required as a condition to the receipt thereof:

1. A contribution reported under Chapter 5 of Title 17 or a contribution to an inaugural or transition committee.

2. Anything given by a family member of the recipient under circumstances which make it clear that it is motivated by a family relationship.

3. Anything given by a friend of the recipient under circumstances which make it clear that it is motivated by a friendship and not given because of the recipient’s official position. Relevant factors include whether the friendship preexisted the recipient’s status as a public employee, public official, or candidate and whether gifts have been previously exchanged between them.

4. Greeting cards, and other items, services with little intrinsic value which are intended solely for presentation, such as plaques, certificates, and trophies, promotional items commonly distributed to the general public, and items of service of de minimis value.

5. Loans from banks and other financial institutions on terms generally available to the public.

6. Opportunities and benefits, including favorable rates and commercial discounts, available to the public or to a class consisting of all government employees.

7. Rewards and prizes given to competitors in contests or events, including random drawings, which are open to the public.

8. Anything that is paid for by a governmental entity or an entity created by a governmental entity to support the governmental entity or secured by a governmental entity under contract, except for tickets to a sporting event offered by an educational institution to anyone other than faculty, staff, or administration of the institution.

9. Anything for which the recipient pays full value.

10. Compensation and other benefits earned from a non-government employer, vendor, client, prospective employer, or other business relationship in the ordinary course of employment or non-governmental business activities under circumstances which make it clear that the thing is provided for reasons unrelated to the recipient's public service as a public official or public employee.

11. Any assistance provided or rendered in connection with a safety or a health emergency.

12. Payment of or reimbursement for actual and necessary transportation and lodging expenses, as well as waiver of registration fees and similar costs, to facilitate the attendance of a public official or public employee, and the spouse of a public official or public employee, at an educational function or widely attended event of which the person is a primary sponsor. This exclusion applies only if the public official or public employee meaningfully participates in the event as a speaker or a panel participant, by presenting information related to his or her agency or matters pending before his or

her agency, or by performing a ceremonial function appropriate to his or her official position; or if the public official's or public employee's attendance at the event is appropriate to the performance of his or her official duties or representative function.

13. Payment of or reimbursement for actual and necessary transportation and lodging expenses to facilitate a public official's or public employee's participation in an economic development function.

14. Hospitality, meals, and other food and beverages provided to a public official or public employee, and the spouse of the public official or public employee, as an integral part of an educational function, economic development function, work session, or widely attended event, such as a luncheon, banquet, or reception hosted by a civic club, chamber of commerce, charitable or educational organization, or trade or professional association.

15. Any function or activity pre-certified by the Director of the Ethics Commission as a function that meets any of the above criteria.

16. Meals and other food and beverages provided to a public official or public employee in a setting other than any of the above functions not to exceed for a lobbyist twenty-five dollars (\$25) per meal with a limit of one hundred fifty dollars (\$150) per year; and not to exceed for a principal fifty dollars (\$50) per meal with a limit of two hundred fifty dollars (\$250) per year. Notwithstanding the lobbyist's limits herein shall not count against the principal's limits and likewise, the principal's limits shall not count against the lobbyist's limits.

17. Anything either (i) provided by an association or organization to which the state or, in the case of a local government official or employee, the local government pays annual dues as a membership requirement or (ii) provided by an association or organization to a public official who is

a member of the association or organization, is deemed to be a public official. Further included in this exception is payment of reasonable compensation by a professional or local government association or corporation to a public official who is also an elected officer or director of the professional or local government association or corporation for services actually provided to the association or corporation in his or her capacity as an officer or director.

18. Any benefit received as a discount on accommodations, when the discount is given to the public official because the public official is a member of an organization or association whose entire membership receives the discount.

c. Nothing in this chapter shall be deemed to limit, prohibit, or otherwise require the disclosure of gifts through inheritance received by a public official or public employee.

35. **VALUE.** The fair market price of a like item if purchased by a private citizen. In the case of tickets to social and sporting events and associated passes, the value is the face value printed on the ticket.

36. **WIDELY ATTENDED EVENT.** A gathering, dinner, reception, or other event of mutual interest to a number of parties at which it is reasonably expected that more than 12 individuals will attend and that individuals with a diversity of views or interest will be present.”

B. Basis for Legal Opinion: I base my legal opinion upon Title 36-25-1(34)(b)(6) and Title 36-25-1(34)(b)(18), *Code of Alabama, 1975*, which read as follows:

“b. The term, thing of value, does not include any of the following, provided that no particular course of action is required as a condition to the receipt thereof:

6. Opportunities and benefits, including favorable rates and commercial discounts, available to the public or to a class consisting of all government employees.”

”18. Any benefit received as a discount on accommodations, when the discount is given to the public official because the public official is a member of an organization or association whose entire membership receives the discount.”

V. **CONCLUSION**

For the reasons cited above, it is my legal opinion that it is not a violation of the Alabama Ethics Law if the Vestavia Hills Park and Recreation Board provides resident rates to non-resident employees of the City and Board for park and recreation activities

Please call me if you have any questions regarding anything set forth in this legal opinion.

Sincerely,

Patrick H. Boone

Soccer Club Report for Parks and Recreation Board May 2020

We were just getting into our spring season when we had to pull the plug on March 12th, due to US Youth Soccer's mandate.

We are sending out Family Credit Vouchers to all recreational players, to be used in the next 18 months.

For our competitive players, we have had weekly work outs, zoom team meetings, and live zoom training twice per week since we stopped training. We do not plan to issue any credits or refunds for competitive players, based on the large volume of contact we have been able to provide (and their season was at the half-way point).

Canceled events include the Ken Headley Celebration Match, Mayor's Cup, National League Showcase in Las Vegas, as well as State Cup and Regionals this summer.

We are waiting to here what social distancing measures will be mandated before we make a decision on a firm return-to-play date.

Let me know if you have any questions or concerns.
