

COMMUNITY NEWS

News & Events for the City of Vestavia Hills

April • May • June 2026

A joint publication of the City of Vestavia Hills & Vestavia Hills City Schools

From Mayor Ashley Curry

Spring Into Fun!

Vestavia Hills had the pleasure of hosting the **Exceptional Foundation's Chili Cook-Off** at the Urban Center on March 7. This event is one of the largest and most well-attended charitable gatherings in the Birmingham metro area, and this year's celebration certainly lived up to its reputation! We were honored to welcome so many participants and supporters. As one of the event's judges, I can personally attest that the chili was outstanding. I hope many of you were able to join the thousands who attended this beloved annual tradition.

Due to renovations at Vestavia Country Club, this year's **Dogwood Prayer Breakfast** will be held at Vestavia Hills Methodist Church on April 21, 2026. This meaningful event continues to feature speakers who share powerful stories of perseverance, faith and resilience.

This year's speaker, Emily Burton, will share her inspiring journey of recovery from drug addiction. She will reflect on how her faith, the unwavering support of her family, and the programs and community at The Lovelady Center played a vital role in transforming her and literally saved her life. The story of her journey from addiction to recovery is both moving and uplifting.

The program will also include prayers of praise and thanksgiving, as well as prayers for our young people, our city and our nation and world.

Several other community events are scheduled throughout April. The **Easter Extravaganza** at Wald Park and the **Bunny Hop Egg Hunt** at Cahaba Heights Park will both take place on April 3. On April 8, the **Dogwood Luncheon and Fashion Show** will be held at the Civic Center beginning at 10 a.m. Additionally, beginning April 10, the Historical Society will present the **Self-Guided Historical Homes Tour**, offering residents a chance to explore the rich history of our community. For more information on these events, and many others being offered during this year's Dogwood Festival, visit www.vhal.org/community/dogwood-festival.

Looking ahead to summer, **I Love America Night** will be held on Thursday, June 25, at Wald Park. This long-standing community tradition is always a fun, family-friendly evening celebrating our nation's independence. Festivities include swimming at the Aquatic Complex, children's activities, live music and a spectacular fireworks display. Historically, this has been the highest-attended event in Vestavia Hills, and we hope you will join us for another memorable celebration.

Community Calendar

April

- 2 **Design Review Board**, Executive Conference Room, 6pm
- 3 **Municipal Offices Closed** in observance of Good Friday
- 3 **Easter Extravaganza Egg Hunt**, Wald Park, 11am

- 25 **I Love America Night**, Wald Park, 6pm
(*Rain date, June 30*)

For additional event dates or to subscribe to the City calendar, visit vhal.org/calendar.

Vestavia Hills Receives Official America 250 Liberty Tree

The Vestavia Hills Historical Society is pleased to announce that our city has received an official America 250 Liberty Tree as part of the nation's Semiquincentennial celebration.

Through the Alabama USA Semiquincentennial Commission

(A250AL), one Legacy Grant is being awarded to each county in Alabama. This grant provides a 6- to 8-foot Liberty Tree – a Princeton Elm – along with a commemorative plaque recognizing its planting in honor of the 250th anniversary of the signing of the Declaration of Independence.

This exciting opportunity was made possible through the efforts of Commissioner Mike Bolin and his staff, Danielle Cater and Ethan Burrow, at the request of Historical Society Vice President Karen Shallenberg. The tree was collected from American Village in Montevallo on March 16, 2026, and planted at Altadena Valley Park, adjacent to the site of the future Veterans Memorial.

The Liberty Tree holds a powerful place in American history. The original tree, a stately elm in colonial Boston, is believed to have been planted in 1646 and became a gathering place for early patriots protesting British rule in the years leading up to the American Revolution. Located near today's Boston Common, at what is now the intersection of Washington and Essex Streets, it served as a rallying point for demonstrations against taxation and other grievances. Over time, it grew into a lasting symbol of liberty and unity, inspiring similar "Liberty Trees" across the colonies.

Vestavia Hills is honored to receive Jefferson County's Liberty Tree and to take part in this meaningful commemoration. We invite the community to visit Altadena Valley Park and celebrate this living symbol of our nation's enduring spirit of freedom.

From City Manager Jeff Downes Strategic Planning

I regularly tell people that we are fortunate in Vestavia Hills to have exceptionally supportive and talented leadership from our elected officials. In my conversations with colleagues across Alabama, I am reminded that this level of engagement and commitment is not always the norm.

Among the many impressive things our Mayor and City Council do, one of the most remarkable to me is their willingness to dedicate two full days each year to strategic planning. That time and effort provide clear, unified direction for City staff and ensure that we are implementing the priorities of the community as expressed through the Mayor and City Council.

In late February, our elected leaders once again came together to identify initiatives and tasks that will help make our community even more special than it already is. I often say that their work helps create the most lovable city.

I encourage you to take a look at the priorities our leadership has set for the coming year.

Smoke Detectors Save Lives

Smoke detectors are one of the most important safety devices in your home and are proven to save lives when minutes matter.

Smoke is the most common cause of fire deaths, leading to injuries long before flames can harm you. According to the National Fire Protection Association, more than

1/3 of home fire deaths occur from fires where no smoke detector is present. Following are a few tips to consider to make sure you get the most out of your detectors.

- Install detectors on every level of your home and outside each sleeping area.
- Test all smoke detectors once a month by pushing the test button.
- Change the batteries twice per year. It helps most people to change them when they change their clocks.
- Replace detectors every 10 years.

The Vestavia Hills Fire Department wants you to stay safe in case of a fire. Make smoke detectors part of your fire safety plan. **If your detectors alarm you, exit the structure as quickly as possible, shutting the doors behind you, and do not re-enter for any reason.** Having working smoke detectors and a fire safety plan in place greatly increases the chance of survival in case of a fire inside your home.

2026 City of Vestavia Hills STRATEGIC PLAN **PRIORITIES & ACTIONS**

1. Improve City Aesthetics for Economic Sustainability & Community Perceptions

- Complete Highway 31 right-of-way/gateway beautification
- Complete Cahaba Heights gateway improvements
- Evaluate and upgrade street and pedestrian lighting options for residential, interstate and City Center areas

2. Improve City Infrastructure as a Foundational Element for Residents

- Reduce percentage of “lost streets” to 0% per PCI evaluation
- Resurface a minimum of 8 centerline miles annually
- Continue implementation of stormwater master plan projects
- Focus on collaborative solutions to improve or repair aging drainage infrastructure along the entirety of Highway 31 and its adjoining drainage basins
- Continue to construct sidewalks according to master plan priorities, with focus on securing grants to supplement budgeted funds
- Establish ordinance to regulate driveway spanners to improve management of stormwater drainage
- Consider implementation of a stormwater management fee to expedite improvements to public drainage infrastructure
- Improve ADA compliant sidewalk networks that connect to the Library in the Forest and pedestrian bridge

3. Continue Improvements to Community Quality of Life Amenities

- Continue feasibility study and preliminary design efforts for an east side library/civic building utilizing a steering committee and concurrence from the City Council on next steps
- Continue design and construction of a new east side maintenance facility to be located on reclaimed land at SHAC
- Demolish existing maintenance facility to improve safety at the rear entrance to Liberty Park ballfields and to expand parking capacity
- Explore improvements to Liberty Park ballfields to improve playability and capacity for user demands
- Complete construction of a Veterans Memorial at Altadena Valley Park
- Maintain focus on ensuring equitable distribution of City-provided amenities for all citizens
- Maintain a strong partnership and ongoing investment in Vestavia Hills City Schools (VHCS), highly prioritizing support for a performing arts facility and a wrestling facility that will serve both the City and VHCS

4. Provide a More Efficient & Effective Provision of City Services

- Embrace a culture of innovation throughout City operations
- Fully implement an asset management system
- Commence construction of an IT disaster recovery site in coordination with the “Plan for Growth”
- Continue investment in training to develop internal job skill sets that allow for cost-effective project implementation

5. Continue to Prioritize a Safe Community Experience

- Commence construction of a renovated and enlarged fire station in Liberty Park and onboard new employees for enhanced fire service
- Finalize design and commence construction for an east side police facility to be located on reclaimed land at SHAC
- Continue expanding the use of technology and strategic policing of our City parks to ensure safe user experiences
- Establish legally-enforceable regulations and a potential moratorium on the sale of edible products containing psychoactive THC
- Publicize a micro-mobility guide and implement enforcement/educational strategies to improve safety

6. Act as Good Stewards of Taxpayer Resources

- Adhere to established financial policies
- Continue trade area economic development strategies that will sustain the quality of businesses, shops and restaurants
- Evaluate and consider implementation of a new financial (ERP) system
- Continue focus on the redevelopment and revitalization of Highway 31 South with a focus on hospitality options

7. Provide Consistent Exceptional Customer Service

- Continue delivery of “Service Stars” customer service modules and other training programs
- Continue human resource strategies that will sustain a positive organizational culture

VHCS + City of Vestavia Hills: Supporting Shared Spaces

The City of Vestavia Hills continues to support Vestavia Hills City Schools through our Shared Spaces Agreement. This partnership, originally enacted in 2024, provides the school system with financial support from the City of Vestavia Hills to upgrade school spaces which are also used by the City's various programs.

This year, the Shared Spaces Agreement supported improvement projects at Vestavia Hills Elementary Dolly Ridge and Vestavia Hills High School. In the coming months, we will replace gym floors at four elementary schools (East, West, Dolly Ridge and Liberty Park) as well as Louis Pizitz Middle School, ensuring students in P.E. and recreational activities have safe, durable surfaces for regular use.

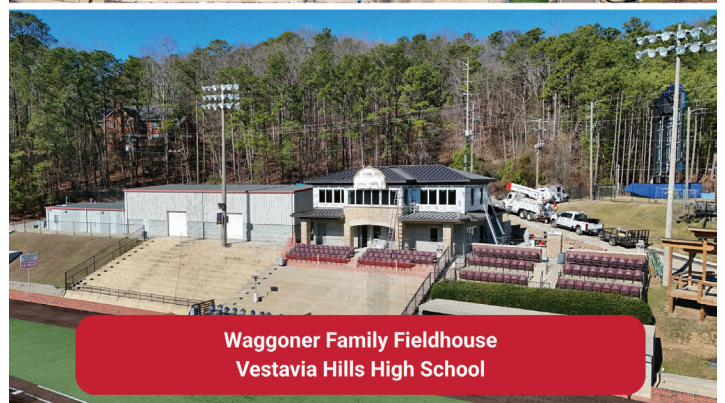

Vestavia Hills City Schools would like to express its appreciation to the City of Vestavia Hills for their partnership through the Shared Spaces Agreement and for their ongoing support of our students and families.

First & Best: How VHCS Is Improving Communication with Families

Family and community partnerships at Vestavia Hills City Schools are built on trust and a shared commitment to an exceptional student experience. We value meaningful relationships with parents, volunteer organizations, businesses and community leaders — relationships strengthened through clear communication, opportunities for feedback and mutual support. This foundation guides our strategic partnerships and aligns with our mission, goals and shared values.

This year, the school system has placed increased emphasis on communication with families and the community. Our vision is to be the first and best source of information about our schools. To that end, we have implemented a comprehensive communication plan to enhance the flow of information between schools, parents and residents throughout Vestavia Hills. The Board of Education has invested in two key improvements: ParentSquare and school-based communication liaisons.

ParentSquare gives students, parents and employees a single, unified platform for school-home communication — a first in the school system's history. Families can now connect via phone, email, text or mobile app, with far fewer places to check for information about classes, programs and schools. Since the start of the 2025-26 school year, more than 11,000 posts and 125,000 direct messages have been shared through the platform.

Each school also has a communication liaison supporting the Office of Communications. These are teachers and staff already embedded in their school's culture who help publicize and celebrate each school's work to a broader audience. Their content was viewed more than 6 million times in the first semester alone.

These improvements in communication would not have been possible without the feedback of you, our Vestavia Hills community. We appreciate your support of our communications efforts both within and outside of the school system.

Career Tech, Dual Enrollment & AP: Opening Doors to the Future

Throughout Vestavia Hills City Schools, students are gaining new and enhanced opportunities for learning they can carry into their college and career lives.

Vestavia Hills City Schools offers an array of opportunities for high school students to pursue both college and career readiness through robust Career and Technical Education (CTE) and Dual Enrollment programs. CTE offers students in grades 7-12 seven distinct pathways and more than 20 courses – ranging from Engineering and Health Sciences to Entertainment & Media and Business Information Technology – giving students hands-on, industry-aligned experience and credentials before they ever leave campus. The results are measurable: CTE participation at VHHS has grown from less than half of the student body six years ago to more than 3 of every 4 students this year.

23%

Enrollment increase in
Advanced Placement courses*

45%

Enrollment increase in
Dual Enrollment courses*

3 of 4 students

in 6th – 12th grades taking at least
one Career & Technical Education course

*Since the 2019–20 school year

Dual Enrollment continues to grow as well, with students now earning college credit through partnerships with Jefferson State Community College, UA Early College, Auburn First, Troy University, UAB and Lawson State. Face-to-face dual enrollment instruction is available

on campus through Jefferson State, currently in Math and English, with Dual Biology and Dual US History courses approved and under exploration. Student participation in Dual Enrollment has nearly doubled over the same six-year period, with enrollment now approaching 590 students.

Advanced Placement offers a third pathway, with 26 college-level courses available this year across English, Math, Science, Social Studies, Fine Arts, World Language and CTE — and an impressive 81% of VHHS AP students earning college-credit scores in 2025.

These three programs are designed not as competing tracks but as complementary pathways toward the same destination: college and career readiness. Whether a student pursues hands-on industry credentials through CTE, college credit through Dual Enrollment or rigorous academic preparation through AP, VHCS is committed to ensuring every student has a meaningful and personalized path forward.

Only Rain in the Storm Drain!

What happens when debris enters storm drains?

It is **ILLEGAL**! Violators who put leaves, clippings or other materials in the storm drains are subject to fines or, when warranted, additional enforcement by the City.

Clogged storm drains may result in **flooding**, creating safety hazards and causing property damage.

Rotting leaves cause **algae blooms in water bodies**, harming plants and animals and reducing water quality.

Debris clogging storm drains can be a breeding ground for **rodents and insects**.

Cleaning out clogged storm drains
costs taxpayers money!

For more information, call 205.978.0166 or visit www.vhparcsandrec.com

****SUMMER 2026 POOL MEMBERSHIPS AVAILABLE NOW!!****

Visit <http://bit.ly/VH-poolpass> to register and purchase online:

- \$85 individual (0-54yo)
- \$40 senior adult (55+)
- \$330 family (4+ family members; families of 3 or less should purchase individual memberships)
- \$10 guest pass
- \$15 day pass for residents who are not members
- \$65 caregiver pass* (for nannies/caregivers of VH resident(s) with a VHAC family membership)

Residents may purchase a Civic Center COMBO PASS, but it must be done IN PERSON at the Civic Center. For more details, call 205.978.0166.

* Caregiver pass enables residents with a family membership to purchase a pass for 15 visits to the VHAC for \$65. Pass must be purchased **in person** at the Civic Center.

YOUTH SPORTS REGISTRATION

>To register for Rec Sports Programs, visit <https://bit.ly/vhpr-registration>.

Basketball: Register May 4-29. Fees: \$75

Volleyball: Register May 4-July 29. Fees: \$150 (resident)/\$200 (non-resident)

Flag Football (Boys): Register May 4-July 24. Fees: \$135

Flag Football (Girls): Register June 1-July 24. Fees: TBD

NEW PROGRAMS & SUMMER CAMPS

Masters Games Practice Sessions: Tuesdays, 8:30am & Thursdays – 10am. Join practice sessions to prepare for the qualifying District Masters Games in July; try out Masters Games activities, build your confidence and enjoy friendly competition in a welcoming setting. For ages 55+.

Summer Art Camps: June 8-12; June 15-19; July 6-10; July 13-17 – 8:30am-12pm daily. Campers will explore painting, drawing and crafts in a supportive and inspiring environment. Drop-off available from 8-8:30am. Snacks & water provided. For ages 6-12. Cost: \$185 per camper. Space is limited – register today at <https://bit.ly/4qL0kT3>.

Creative Writing Camp: June 15-19 – 8:30am-12pm daily. Small group writing workshops to create a mini-memoir, a fictional short story and a small collection of poetry. Drop-off available from 8-8:30am. Snacks & water provided. For ages 9-13. Cost: \$185 per camper. Space is limited – register today at <https://bit.ly/4qL0kT3>.

SENIOR PROGRAMMING

Trips: REGISTRATION REQUIRED. Contact Sandi Wilson to register for the Senior Trips (205.978.0166; swilson@vhal.org).

Southeastern Indian Festival: April 2 – 7am.

Enjoy a day trip to Atmore to enjoy a visit to the vibrant Southeastern Indian Festival, featuring rich cultural traditions, music, crafts and food. Depart from the Civic Center; transportation provided.

Magic of Marble Festival: April 16 – 7:30am.

Enjoy a day trip to Sylacauga for the Magic of Marble Festival! Discover the history and artistry of marble through a variety of on-site tours and viewing opportunities throughout the day. Depart from the Civic Center; transportation provided.

ASO Coffee Concert: Heart of a New World:

May 1 – 9am. Enjoy a trip to the Alys Stephens Center to see the Alabama Symphony Orchestra perform "Heart of a New World," followed by lunch at Paw Paw Patch. Depart from the Civic Center; transportation provided.

Sugar Hill U-Pick Farms: May 15 – 9:30am.

Enjoy a day trip to Sugar Hill U-Pick Farms in Verbena – pick strawberries and tour the farm before eating lunch at a local restaurant! Departure from the Civic Center; transportation provided.

American Village: June 18 – 8:45am. Enjoy an informational day trip to American Village in Montevallo, where we will have a guided tour before eating lunch at a local restaurant! Departure from the Civic Center; transportation provided.

Activities:

Bingocize: April 9, 16, 21, 30; May 7, 12, 21, 28 – 10:30am. Bingocize is a 10-week program at New Merkel House that combines exercise and health information with the familiar game of Bingo. Each session usually lasts 45-60 minutes.

Birthday & Bingo: April 27; May 18; June 29 – 11am. Celebrate monthly birthdays at New Merkel House – enjoy delicious cake, warm company and plenty of fun with spirited bingo games.

Crochet Nook: April 2, 16, 30; May 7 & 21; June 4 & 18 – 10:30am. Love fiber arts? Bring your current projects or come to New Merkel House for inspiration from our volunteer instructor, Ms. Myra. All skill levels are welcome, from beginners to advanced crocheters.

Discover Japan: Art & Traditions: May 14 & June 17 – 10:30am. Experience the beauty and traditions of Japan through hands-on art and engaging activities at New Merkel House. Participants will learn about elements of Japanese culture while creating simple art projects and enjoying a fun, interactive atmosphere.

Earth Day Celebration: April 22 – 10am.

Celebrate Earth Day at the New Merkel House with a fun and meaningful gathering focused on caring for our planet. Enjoy light activities, themed treats and simple ways we can all make a positive impact on the environment starting in our community.

Senior Citizen Association Luncheons: April 13;

May 11; June 8 – 12pm. Bring your friends for a delicious lunch and afternoon of fun and fellowship at the Civic Center! Must register no later than 7 days prior to luncheon – call 205.978.0166.

Vision Screening: June 10 – 9am. Come by New Merkel House for a **FREE** vision screening sponsored by UAB.

or call 205.823.5011.

Staying Safe on Scooters & Electric Bikes

Avoid Damp Roads

Wet roads will make the small tires lose traction faster than a vehicle would. Avoid riding on damp roads or during a rainstorm.

Stay Off Sidewalks

Sidewalks are intended for pedestrians and pets only. Therefore, scooters and bikes not allowed on City sidewalks.

... And Busy Roads

When riding in the street, you're going to be mingling with vehicles much larger and faster than you. If there is a bike lane, stay in it. If you are passing a row of parked cars, be careful of any driver who may be opening their car door or backing out of a parking space.

Watch Out for Grates

Unlike cars that can ride over sewer grates with ease, electric bikes and scooters have smaller tires that can get caught in the spaces. If it gets caught, you could very well end up flying over the handlebars!

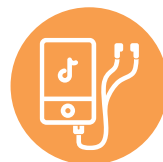

Wear a Helmet

Invest in a good helmet, keep it with your scooter or bike and wear it every time you ride! Be sure to wear shoes too!

Stay Aware

As always, stay aware of your surroundings; put your phone in your pocket and don't wear earbuds. Practice the art of watching the ground in front of you while looking ahead of you ... It's a delicate balance!

Know the Law

Because Alabama law classifies electric bikes and scooters as motor vehicles, the following laws apply:

- Scooters may not be ridden on sidewalks.
- Riding on public street requires a tag and a valid driver's license (typically a Class M).
- Riders must wear both a helmet and shoes.
- The scooter must have functioning brakes.
- If you're riding on the street, all traffic laws apply.

Parents: Note that the law holds parents responsible if minors operate scooters without proper safety gear or in violation of traffic laws.

VESTAVIA HILLS
HISTORICAL SOCIETY

presents

Guest Speaker: Sculptor Craigger Brown

Monday, April 20 at 2pm – Vestavia Hills City Hall

Marble sculptor, Craigger Brown, spent years studying abroad and developing as an artist. For decades, he divided his time between Italy and Birmingham, but now works with Alabama's State stone – Sylacauga marble. His work can be found in corporate and private collections on five of seven continents.
