CITY OF VESTAVIA HILLS BLASTING PERMIT CONDITIONS

- Permit is subject to Alabama State Regulations. Permit is issued with the understanding that the person, firm or company to whom it is issued, together with the individuals doing the blasting, are held responsible to the City of Vestavia Hills and to all persons whomsoever for any injuries or for any damage of any kind resulting from said blasting.
- The agent, named hereon, is to be at all times at the scene and in charge of said blasting.
- Blasting is to be done between the hours of 9:00 a.m. and 3:00 p.m. on Monday through Friday.
- The maximum velocity shall **NOT** exceed .5 IPS to the nearest structure.
- The maximum air blast shall **NOT** exceed 120 DB., covered if necessary.
- All blasting is to have a seismograph at the nearest building or at a location agreed to by the City of Vestavia Hills Fire Marshal.
- All shots are to be matted or covered when necessary as to avoid flying rocks.
- **MUST** have a pre-blast survey within 500' of any structure.
- **NOTICE** - Effective October 1, 1993, *Rule 5.463, Alabama Explosives Safety Act* will apply.
- A copy of your Alabama state license and a copy of your Alabama state certification card are required.

If further information is needed concerning you Alabama state license, please contact the Alabama State Fire Marshal at (334) 241-4166.

I understand the above information and agree to abide by the above conditions:
