ARTICLE 4

Source of Payment of the Warrants

Section 4.01 Source of Payment of Warrants

The indebtedness evidenced and ordered paid by the Warrants shall be a general obligation of the City and shall be secured by an irrevocable pledge of:

- (a) The full faith, credit and taxing power of the City; and

The Pledged Tax Proceeds, subject to the law-imposed requirement there must first be paid therefrom the legitimate and necessary governmental expenses of operating the City, and on an equal and proportionate basis and parity of lien with a pledge thereof made by the City for the benefit of any Parity Obligations issued thereby in compliance with applicable law and this Ordinance.

Section 4.02 No Obligation of State or Other Person

The Warrants are solely an obligation of the City and shall never constitute a direct, indirect, or contingent obligation, indebtedness, pecuniary liability, or charge against the general credit, revenues, or taxing power of the State of Alabama or any other political subdivision thereof, or any other Person.

Section 4.03 Pledge of Pledged Tax Proceeds for the Warrants

(a) The City does hereby irrevocably pledge for the due and punctual payment of the principal of, premium, if any, and interest on the Warrants, and does hereby appropriate and order segregated, set apart and used for payment of such principal, premium and interest as the same shall respectively become due and payable, so much as may be necessary for such purpose of the Pledged Tax Proceeds, subject to the law-imposed requirement there must first be paid therefrom the legitimate and necessary governmental expenses of operating the City, and on an equal and proportionate basis and parity of lien with a pledge thereof made by the City for the benefit of any Parity Obligations issued thereby in compliance with applicable law and this Ordinance.

(b) To such extent, if any, as the Pledged Tax Proceeds available for such purpose may not be sufficient to provide for the due and punctual payment of the principal of, premium, if any, and interest on the Parity Obligations when due and payable, the City agrees to use for such purpose so much of its general revenues derived from other sources and available for such purpose as, when added to the Pledged Tax Proceeds available therefor, shall be sufficient to provide for the due and punctual payment of the principal of, premium, if any, and interest on the Parity Obligations when due and payable.

4.04 Priority of Pledge

(a) upon delivery of the Warrants there will be no outstanding agreement or pledge with respect to the Pledged Tax Proceeds other than the agreements and pledges with respect to the Pledged Tax Proceeds that are herein contained;

(b) the agreements and pledges respecting the Pledged Tax Proceeds herein made shall be and remain prior and superior to any and all pledges and agreements respecting the Pledged Tax Proceeds that may hereafter be made by the City other than any pledge of the Pledged Tax Proceeds that may hereafter be made for the benefit of any Parity Obligations.

4.05 Use of Excess Proceeds

As long as no default shall exist and be continuing with respect to the due and punctual payment of the principal of, premium, if any, or interest on, the Warrants or any of the Parity Obligations, and all deposits and payments with respect to the Warrants and any Parity Obligations shall have been made in the amounts required by this Ordinance and the Parity Obligations Proceedings, then the City may use the Pledged Tax Proceeds for any lawful purposes.

Section 4.06. Authorization of Parity Obligations

The City may from time to time issue warrants or other obligations (herein called "Parity Obligations") for any lawful purpose, without limit as to aggregate principal amount, payable from and secured by a pledge of the Pledged Tax Proceeds on an equal and proportionate basis and parity of lien with the pledge thereof for the benefit of the Warrants, and upon satisfaction of the following conditions:

(a) The Parity Obligations to be issued shall be general obligations of the City for the payment of the principal of, premium, if any, and interest on which the full faith, credit and taxing power of the City shall be validly and irrevocably pledged.

(b) At the time such Parity Obligations shall be issued, the City shall have fully complied with all provisions of this Ordinance and of the Parity Warrants Proceedings with respect to any Parity Obligations.

(d) The Parity Obligations shall be given a distinct series designation, shall have stated maturities of principal on August 1 of the years in which the Parity Obligations of that series shall mature, and shall bear interest payable on February 1 and August 1; provided, any series of Parity Obligations may have provisions for prepayment or redemption prior to maturity, in accordance with Applicable Law (as defined in the Authorizing Ordinance), as the City shall determine advisable and shall set forth in the proceedings in which the Parity Obligations of that series are authorized to be issued.

Section 4.07 Maintenance and Ratification of the Sales and Use Tax

(b) The City does hereby ratify and confirm all proceedings of the governing body of the City heretofore had and taken, and all ordinances and resolutions adopted pursuant thereto, with respect to the levy and collection of the Sales and Use Tax, in all respects, from and after the effective date thereof.

ARTICLE 5

(b) The Warrants will be registered in the names of the Owners thereof on the Warrant Register.

- (2) The Warrants shall be redeemed in accordance with the mandatory redemption provisions of the Warrants without any direction from or consent by the City.
- (b) (1) Anything in this Ordinance to the contrary notwithstanding, the City may provide for the optional redemption of any Warrant (or portion thereof) contingent upon specified conditions, such as deposit of funds necessary for such redemption, or the occurrence of specified events. If the conditions for such redemption are not satisfied prior to the proposed date of redemption, such Warrants shall not be subject to redemption on such date and the City shall not be required to redeem such Warrants (or portions thereof) subject to such conditional redemption. The City shall return any Warrants surrendered on the specified date of redemption to the Owners of such Warrants.

- (a) During a period in which the Warrants are held pursuant to a Book-Entry System, the Securities Depository shall select, by such method as the Securities Depository shall determine fair and appropriate, the principal amount of the beneficial interests in the Warrants to be redeemed within a maturity; and

(7) to the extent required for Warrants in certificated form, the place or places where the Warrants to be redeemed are to be presented and surrendered for payment of the redemption price; and

(8) if applicable, the terms upon which such redemption is contingent upon specified conditions.

(d) The City and the Paying Agent shall, to the extent practical under the circumstances, comply with the standards set forth in Securities and Exchange Commission's Exchange Act Release No. 23856 regarding redemption notices, provided that their failure to do so shall not in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed in this Section.

Section 6.04 Payment of Redemption Price on Date of Redemption

(a) (1) On or before any date of redemption, the City shall deposit or cause to be deposited with the Paying Agent an amount of money sufficient to pay the redemption price of all the Warrants which are to be redeemed on that date.

Section 6.06 Interest on and after Date of Redemption

(a) Warrants (or portions thereof) for which provision for the payment of the redemption price shall have been made, and notice of the redemption thereof shall have been given, all in accordance with this Ordinance, shall thereupon cease to bear interest from and after the date of redemption therefor unless and to the extent default shall be made in the payment of the redemption price thereof.

(b) If any Warrant called for redemption shall not be so paid upon redemption, the principal of the Warrant shall, until paid, bear interest from the date of redemption at the rate prescribed therefor in such Warrant.

ARTICLE 7

Transfer, Exchange and Replacement of Warrants

The transfer, exchange and replacement of Warrants in certificated form shall be made in accordance with the following:

(a) The Warrants may be transferred by the Owner in person or by authorized attorney, only on the Warrant Register and only upon surrender of the Warrant to the Paying Agent for cancellation with a written instrument of transfer acceptable to the Paying Agent executed by the Owner or his duly authorized attorney, and upon surrender for transfer of such Warrant to the Warrant Registrar, the officers of the City are hereby authorized and directed to, and shall without further action, approval or consent by the City, execute and deliver a new Warrant of like tenor, and in a principal amount equal to the unpaid or unredeemed portion of the principal of the Warrant so presented, to the transferee in exchange for such Warrant.

(b) The Owner of any Warrant in a face amount of more than the smallest Authorized Denomination may surrender the same in exchange for more than one Warrant, each in the principal amount which is an integral multiple of an Authorized Denomination, having the same year of maturity as the Warrant so surrendered and the same aggregate principal amount. The Owner of two or more Warrants having the same principal maturity may surrender the same in exchange for a single Warrant in the aggregate principal amount of the Warrants so surrendered.

(c) The Paying Agent shall not be required to transfer or exchange any Warrant during the period from the Record Date and the then next succeeding Stated Interest Payment Date; and in the event that any Warrant (or any part thereof) is duly called for redemption, the Paying Agent shall not be required to register or transfer any such Warrant during the period of forty-five (45) days next preceding the date fixed for such redemption.

(d) If (i) any mutilated Warrant is surrendered to the Paying Agent, or the City and the Paying Agent receive evidence to their satisfaction of the destruction, loss or theft of any Warrant, and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Warrant has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate, register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Warrant, a new Warrant of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(e) Upon the transfer, exchange or replacement of any Warrant, the City may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith; provided no charge shall be made to the Owner for any transfer, exchange or replacement of Warrants.

(f) (1) All Warrants issued upon any transfer or exchange of Warrants shall be the valid obligations of the City and be entitled to the same security and benefits under this Ordinance as the Warrants surrendered upon such transfer or exchange.

(2) Every new Warrant issued pursuant to this Article in replacement of any destroyed, lost or stolen Warrant shall constitute an original additional contractual obligation of the City, whether or not the destroyed, lost or stolen Warrant shall be at any time enforceable by any person.

(g) The provisions of this Article are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Warrants.

Payment, Defeasance and Cancellation of Warrants

Section 8.01 Payment of Warrants

(a) The City hereby orders and directs the Finance Director to pay the principal of, premium (if any) and interest on the Warrants solely from the Warrant Fund when and as the same becomes due and payable in lawful money of the United States of America, without deduction for exchange, fees or expenses, through the Paying Agent as provided in this Ordinance.

(b) (1) The Paying Agent shall pay (i) interest on the Warrants due on any Stated Interest Payment Date to the Owners in whose names the Warrants are registered in the Warrant Register at the close of business on the Record Date for such Stated Interest Payment Date, and (ii) principal of (and premium, if any, on) the Warrants, and accrued interest on the Warrants due upon redemption on any date other than an Stated Interest Payment Date, only upon surrender thereof at the Principal Office of the Paying Agent or at the office of any other Paying Agent therefor.

(2) The foregoing to the contrary notwithstanding, upon the written request of the Owner of any Warrant in a principal amount of not less than \$1,000,000, the Paying Agent will make payment of the principal of, premium (if any) and interest on such Warrant by wire transfer to an account of such Owner maintained at a bank in the continental United States or by any other method providing for payment in same-day funds that is acceptable to the Paying Agent, provided that such written request contains adequate instructions for the method of payment and final payment of principal is made upon such surrender of the Warrant or Warrants as provided hereinabove.

(c) If any payment on the Warrants is due on a day which is not a Business Day, such payment shall be made, in the same amount, on the first succeeding day which is a Business Day, with the same effect as if made on the date on which such payment was due.

(b) Any amounts held in trust by the Paying Agent pursuant to Section 8.03(a) which are unclaimed for three (3) years after the date on which payment thereof was due to have been made shall, subject to Applicable Law, be paid to the City upon written request of an Authorized City Representative and the Owner of any such Warrant or Warrants to be paid from such amounts shall thereafter, as an unsecured general creditor, have recourse only to the City for payment thereof, and all liability of the Paying Agent with respect to such trust money shall cease; provided, however, the Paying Agent may, prior to payment of such amounts to the City and at the written direction and expense of the City, publish notice once, by newspaper of general circulation within the jurisdiction of the City or by such means of electronic communication as the Paying Agent determines is appropriate, that such amounts remain unclaimed and that, after a date specified in such notice (which shall be not less than 30 days after publication of such notice), such amounts will be paid to the City.

(2) The Paying Agent shall be the depository, custodian and disbursing agent for the Warrant Fund.

(3) The money in the Warrant Fund shall be used only to pay principal of, premium (if any) and interest on the Warrants as the same shall become due and payable.

(c) The Paying Agent shall invest the amounts on deposit in the Warrant Fund as provided in Section 8.04.

(d) (1) The City acknowledges that deposits and transfers to the Warrant Fund required by this Section have been calculated to provide amounts which will be sufficient to pay the principal of, premium (if any) and interest on the Warrants as the same shall become due and payable.

(2) If on any principal or Stated Interest Payment Date the amount on deposit in the Warrant Fund is insufficient to pay the principal of, premium (if any) and interest on the Warrants due and payable on such date, the City will forthwith pay any such deficiency into the Warrant Fund.

(e) The City hereby authorizes and directs the Paying Agent to pay from funds in the Warrant Fund the principal of, premium (if any) and interest on the Warrants as the same shall become due and payable.

Section 8.04 Investment of and Security for Warrant Fund

(a) The Paying Agent shall invest money in the Warrant Fund at the written direction of the City in such Authorized Investments as shall provide that a sufficient principal amount shall mature or be redeemable at the option of the owner on or prior to the date or dates the City and the Paying Agent anticipate that money from the Warrant Fund will be required hereunder. The Paying Agent shall not be liable or responsible for any loss resulting from any such investment if made in compliance herewith.

(b) All income derived from the investment of money on deposit in the Warrant Fund shall remain therein and be credited against the next ensuing deposit specified therefor, and all losses resulting from liquidation of investments in the Warrant Fund shall be charged thereto and added to the next ensuing deposit specified therefor.

(c) The moneys at any time on deposit in the Warrant Fund shall be and at all times remain public funds impressed with a trust for the purpose for which the Warrant Fund was created. The Paying Agent shall at all times keep the moneys on deposit in the Warrant Fund continuously secured for the benefit of the City and the Owners of the Warrants, either (1) by holding on deposit as collateral security U.S. Government Obligations or other marketable securities eligible as security for the deposit of public trust funds under regulations of the Comptroller of the Currency, United States Treasury, having a market value at any date of calculation (exclusive of accrued interest) not less than the amount of moneys on deposit in the fund being secured, or (2) if the furnishing of security in the manner provided in (1) above is not permitted by the then Applicable Law and regulations, then in such other manner as may be required or permitted by the then applicable state and federal laws and regulations respecting the security for, or granting a preference in the case of, the deposit of public trust funds; provided, however, that it shall not be necessary for the Paying Agent to secure any portion of the moneys on deposit in any such fund that may be insured by the Federal Deposit Insurance Corporation or by any agency of the United States of America that may succeed to its functions, or to secure any portion of the moneys that are invested as herein provided.

(d) The Paying Agent may invest any investment proceeds received by the Paying Agent in a defeasance trust fund in U.S. Government Obligations.

(e) The Paying Agent shall apply all amounts in a defeasance trust fund solely for the payment of the principal of, premium (if any) and interest on the Warrants with respect to which such fund was established.

(b) The officers and clerk of the City are hereby authorized and directed to execute, seal, attest and acknowledge the Transaction Documents, to the extent required by the respective forms thereof, in the name and on behalf of the City with such changes thereto as such officers shall approve and which shall not increase or extend the liability of the City thereunder, which approval shall be conclusively evidenced by execution thereof by such officers as so provided.

Section 12.02 Delivery of Warrants and Transaction Documents

(a) The Mayor and the Finance Director are authorized and directed to effect delivery of the executed and authenticated Warrants to the Purchaser on such date as shall be determined by the Mayor and the Purchaser upon payment of the Net Warrant Proceeds by the Purchaser to the City pursuant to the Warrant Purchase Agreement.

Section 12.03 Approval of Official Statement for the Warrants; Ratification of Preliminary Official Statement

(a) (1) The Official Statement with respect to the Warrants (the "Official Statement") in substantially the form and of substantially the content as the Official Statement presented to and considered by the City, is hereby authorized, approved and adopted.

(2) The City does hereby find and determine that the Official Statement is true and correct and does not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(3) The Mayor of the City is hereby authorized to date the Official Statement the date of delivery thereof and to execute and deliver the Official Statement for and on behalf of and in the name of the City, with such changes or additions thereto or deletions therefrom as the Mayor may deem necessary or desirable in order to state fully and correctly the pertinent facts concerning the City and the Warrants.

(b) The Mayor of the City is authorized and directed to cause distribution of the Official Statement to be made to prospective purchasers of the Warrants.

(c) The City does hereby ratify and confirm the terms and distribution of the Preliminary Official Statement dated July 27, 2018, with respect to the Warrants.

Section 12.04 Covenants of City Regarding Federal Tax Matters

(a) The City covenants and agrees to duly and punctually observe and perform all agreements and covenants thereof under the Tax Certificate and Agreement.

(b) The City covenants and agrees that it will not take any action, or fail to take any action, if such action or failure to act would cause the interest on the Warrants to be Taxable.

Section 12.05 General Authorization

The Mayor, the Finance Director and the City Clerk of the City are hereby authorized and directed to take all actions, and to execute, deliver, file, perform and, to the extent required, record, all certificates containing such representations of fact and all documents, instruments and notices, as may be necessary, desirable, or required by Applicable Law to effect the purposes of this Ordinance and the issuance of the Warrants.

ARTICLE 13

Acts of Owners; Special Agreements by Owners and Beneficial Owners of Warrants

Section 13.01 Acts of Owners; Binding Effect of Acts

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Ordinance to be given, made or taken by Owners may be embodied in and evidenced by one or more substantially concurrent instruments of substantially similar tenor signed by such Owners in person or by an attorney or legal representative duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Paying Agent, and, where it is hereby expressly required, to the City. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Owners signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such legal representative, or of the holding by any Person of Warrants, shall be sufficient for any purpose of this Ordinance and conclusive in favor of the City and in favor of the Paying Agent, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officers authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Whenever such execution is by an officer of a corporation or a member of a partnership, or limited liability company or partnership, on behalf of any thereof, such certificate or affidavit shall also constitute sufficient proof of the authority thereof.

(c) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Owner of any Warrant shall bind every future Owner of the same Warrant and the Owner of every Warrant issued upon the transfer thereof or in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Paying Agent or the City in reliance thereon, whether or not notation of such action is made upon such Warrant.

Section 13.02 Officers and Members of Governing Body of City Exempt from Personal Liability

As a condition of, and as a consideration for, the issuance of the Warrants, each Owner and Beneficial Owner agrees, by acquisition of a Warrant or a beneficial interest therein, that no covenant or agreement contained in the Warrants or in this Ordinance shall operate or be construed as a covenant or agreement of any officer, agent, employee, or member of the governing body of the City or of the Paying Agent in its individual capacity, and none of such Persons nor any officer executing the Warrants shall be liable personally on the Warrants or be subject to any personal liability or accountability by reason of the issuance of the Warrants and any liability of every name and nature, either at common law or in equity or by constitution or statute, and all such rights and claims against every such officer, employee, or member of the governing body of the City are irrevocably waived and released.

Section 13.03 Agreements of Beneficial Owners

The Beneficial Owners, by acquisition of a beneficial interest in a Warrant or Warrants, severally agree that the City and the Paying Agent have not undertaken, directly or indirectly, to provide, and therefore shall have no liability, obligation, or responsibility to any Person (including without limitation Beneficial Owners, Direct Participants, and Indirect Participants) for (i) the accuracy of any records maintained by the Securities Depository or any Direct Participant or Indirect Participant, or (ii) the payment by the Securities Depository or any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal of, interest on or premium (if any) on, any of the Warrants, or (iii) the delivery, or timeliness of delivery by the Securities Depository or any Direct Participant or Indirect Participant of any notice due to any Beneficial Owner which is required or permitted under this Ordinance to be given to such Beneficial Owner, or (iv) any Act (including without limitation any consent to, or waiver of, any action or inaction) by the Securities Depository or Securities Depository Nominee, as Owner.

Section 13.04 Contractual Agreements of Owners and Beneficial Owners

By acquisition of a Warrant or any beneficial interest therein the Owner or Beneficial Owner thereof consents to, and agrees to be bound by, the terms and provisions of this Ordinance as a contractual agreement under the laws of the State of Alabama by the City and each Owner and Beneficial Owner.

ARTICLE 14

The Paying Agent

Section 14.01 Designation of Paying Agent

The City does hereby designate and appoint The Bank of New York Mellon Trust Company, National Association as the depository for the Warrant Fund and as Paying Agent, Warrant Registrar and authenticating agent for and with respect to the Warrants.

Section 14.02 Payments at Par

The Paying Agent, by acceptance of its duties hereunder, shall have agreed thereby with the Owners of the Warrants that it will make all remittances of principal of, premium (if any), and interest on the Warrants from money supplied by the City for such purpose in bankable funds at par and without discount or deduction for exchange, fees or expenses. The City hereby covenants and agrees with the Owners of the Warrants and with the Paying Agent that it will pay all charges for exchange, fees or expenses which may be incurred by the Paying Agent in the making of remittances in bankable funds at par.

Section 14.03 Rights of Paying Agent

(a) The Paying Agent shall not be liable hereunder except for its noncompliance with the provisions hereof, its willful misconduct or its gross negligence.

(b) The Paying Agent:

(1) may execute any of the powers conferred on it hereunder or perform any duty hereunder either directly or through agents and attorneys in fact who are not regularly in its employ and who are selected by it with reasonable care, but it shall be responsible for the observance by such agents and attorneys in fact of the terms and conditions hereof;

(2) may consult with counsel on any matters connected herewith and shall not be answerable for any action taken or failure to take any action in good faith on the advice of counsel, provided that its action or inaction is not contrary to an express provision hereof;

(3) need not recognize a Owner of a Warrant as such without the satisfactory establishment of his title to such warrant;

(4) shall not be answerable for any action taken in good faith on any notice, request, consent, certificate or other paper or document which it believes to be genuine and signed or acknowledged by the proper party;

(5) shall be entitled to reasonable compensation for its services hereunder, including extra compensation for unusual or extraordinary services;

(6) may be the Owner of Warrants as if not Paying Agent hereunder;

(7) shall not be liable for proper application of any moneys other than those that may be paid to or deposited with it;

(8) shall not unreasonably withhold or delay any consent or approval required of it under the provisions of this Ordinance;

(9) may make any investments permitted hereby through its own investment department or affiliated entity, and any Authorized Investments issued or held by it hereunder shall be deemed investments and not deposits;

(10) shall, upon reasonable request, advise the City of the amount at the time on deposit in any of the special funds herein created;

(11) shall have no obligation to file financing statements or continuation statements.

(c) Any action taken by the Paying Agent at the request of and with the consent of the Owner of a Warrant will bind all subsequent Owners of the same Warrant and any warrants issued hereunder in lieu thereof.

(d) All moneys received by the Paying Agent to be held by it hereunder shall be held as trust funds until disbursed in the manner herein provided therefor. The Paying Agent shall not be liable to pay or allow interest thereon or otherwise to invest any such moneys except as specifically required herein.

(e) The recitals of fact herein and in the Warrants are statements by the City and not by the Paying Agent, and the Paying Agent is in no way responsible for the validity or security of the Warrants, or the validity or enforceability of the Ordinance. The Paying Agent does, however, assume responsibility for its eligibility to accept and administer the duties created hereby, and it agrees and represents that it is duly authorized to accept and administer such duties and that the acceptance and administration by it of such duties do not violate or contravene, and are not void or voidable under, any applicable state or federal law now existing.

(f) The Paying Agent's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Ordinance shall extend to the Paying Agent's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Paying Agent's right to compensation, shall survive the Paying Agent's resignation or removal, the discharge of this Ordinance, and final payment of the Warrants.

(g) The Paying Agent shall have the right to accept and act upon directions or instructions given by an Authorized City Representative pursuant to this Ordinance or any other document reasonably relating to Warrants issued hereunder and delivered using Electronic Means (defined below). If the City elects to give the Paying Agent directions or instructions using Electronic Means and the Paying Agent in its discretion elects to act upon such directions or instructions, the Paying Agent's understanding of such directions or instructions shall be deemed controlling. The City understands and agrees that the Paying Agent cannot determine the identity of the actual sender of such directions or instructions and that the Paying Agent shall conclusively presume that directions or instructions that purport to have been sent by an Authorized City Representative listed on the incumbency certificate provided to the Paying Agent have been sent by such Authorized City Representative. The City shall be responsible for ensuring that only Authorized City Representatives transmit such directions or instructions to the Paying Agent and that all Authorized City Representatives treat applicable user and authorization codes, passwords and/or authentication keys as confidential and with extreme care. The Paying Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Paying Agent's reliance upon and compliance with such directions or instructions notwithstanding such directions or instructions conflict or are inconsistent with a subsequent written direction or written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit directions or instructions to the Paying Agent, including without limitation the risk of the Paying Agent acting on unauthorized directions or instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions or instructions to the Paying Agent and that there may be more secure methods of transmitting directions or instructions; (iii) that the security procedures (if any) to be followed in connection with its transmission of directions or instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances and (iv) to notify the Paying Agent immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys, or another method or system specified by the Paying Agent as available for use in connection with its services hereunder.

Section 14.04 Resignation and Removal; Appointment of Successor

(a) The City may remove and discharge the Paying Agent from all duties imposed upon it as Paying Agent, Warrant Registrar and transfer agent by giving written notice of such removal and discharge by certified or registered mail to the Paying Agent not less than 30 days prior to the date when such removal shall take effect.

(b) The Paying Agent may resign and be discharged of all duties imposed upon it as Paying Agent, Warrant Registrar and transfer agent by giving written notice of such resignation by certified or registered mail to the City not less than 30 days prior to the date when such resignation shall take effect.

Section 14.05 Qualification of and Acceptance of Appointment by Successor

(a) If at any time the Paying Agent shall be removed, resign or be or become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Paying Agent or of its property shall be appointed or any public officer shall take charge or control of the Paying Agent or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the City shall promptly appoint a successor Paying Agent.

(b) Any successor Paying Agent shall be a bank or trust company authorized to act as Paying Agent and Warrant Registrar and having, at the time of its acceptance of such appointment, combined capital and surplus of at least \$100,000,000.

(c) Every successor Paying Agent appointed hereunder shall execute, acknowledge and deliver to the City and to the retiring Paying Agent an instrument accepting such appointment and thereupon the resignation or removal of the retiring Paying Agent shall become effective and such successor Paying Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, and duties of the retiring Paying Agent.

Section 14.06 Merger or Consolidation

Any corporation into which the Paying Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Paying Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Paying Agent, shall be the successor of the Paying Agent hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Warrants shall have been authenticated, but not delivered, by the Paying Agent then in office, any successor by merger or consolidation to such authenticating Paying Agent may adopt such authentication and deliver the Warrants so authenticated with the same effect as if such successor Paying Agent had itself authenticated such Warrants.
