

City of Vestavia Hills
CIVIC CENTER MEMBERSHIP POLICY

Beginning August 4, 2014, Vestavia Hills Parks and Recreation will be requiring memberships to use the gym, showers, indoor track, and game tables at the Civic Center. Programs that have the gym reserved will be exempt (i.e. Jazzercise, Rec league basketball, Baton, etc).

Membership will be free of charge for Vestavia Hills residents. Membership badges will be issued at the Park and Recreation Office, located at 1973 Merryvale Road, beginning on August 4, 2014. To obtain a badge, you must bring your ID and 2 forms of proof of residency. A resident must renew residency information annually from date of acquisition. The badge can be kept perpetually as long as member keeps residency.

Non-residents wishing to access the Civic Center must be accompanied by a resident and pay a fee of \$5/day. No more than 2 non-resident/guests per member per day will be allowed. Members will be required to show their badges and pay non-resident visitor fees at the office window upon entry.

For additional information regarding this policy, please contact Jason Burnett at jburnett@vhal.org
