SUPERINTENDENTS REPORT

- Nov 8, the city's Veterans Day Program held at VHUMC
- Eli Gold is guest speaker for National Senior Day August 21st
- Adult Transportation Drivers Luncheon 11o'clock Dogwood Room May 21st. Park Board members are welcome to attend.
- We have begun meetings with the Chamber in preparation for I Love America at Wald Park on June 28 with a makeup date of July 2.
- VHPR Foundation is working with a sign company to start putting up new signage at SHAC Park.

- On May 1, 2018, BSL noticed an issue with the filtration system, so they contacted Andy Lockhart with Clearwater Pools who is very familiar with the older type of equipment/systems of the Wald Park Pool in order for him to come inspect it the next day. In retrospect, I should have notified VSA about this issue on May 1, but the nature, significance or potential impact of the problem was not known at the time.
- On May 8, 2018, Clearwater Pools told us they found the company that originally installed the filter 20+ years ago (Miami Tank) and told them about the issue. During this time, the chemicals in the pool were being kept balanced by BSL and Andy said that as long as the chemicals are balanced, it is ok to use.
- On May 9, 2018, Clearwater Pools got a response from Miami Tank on what the issue was and a schedule of how long it would take Miami Tank to construct a rebuilt lateral system. They told BSL on May 10 and BSL told me that day. I tried to call Andy Lockhart at Clearwater Pools on May 11-May 13 but he was out of town and could not be reached so I could speak to him further about this issue and timing.
- On May 11-12, 2018, the chemicals were still being balanced for VSA to use on May 12 for their 1:30 new swimmer evaluations. So I gave VSA a heads up on May 11 about this and they ended up using YMCA pool because of the pool conditions.
- Today, I spoke with Andy Lockhart with Clearwater Pools and he says that basically the guts of the filter have blown out. It will be approximately \$15,000 to rebuild the lateral system within the filter. This would be a significant repair that would effectively close the pool and possibly be done by early July, which in any repair could take longer based on various factors. He mentioned that there would be no way of knowing this would have happened as this is an internal issue.
- So many other pool companies are swamped this time of year including our local Hollywood Pools.
- I will put in a call with YMCA to see what can be done with VSA using their facility. We will also need to consider refunding the memberships to Wald Pool and what to do for the rest of the summer. Right now we have less than 100 that have paid.
- I have notified West school about this in regards to their scheduled 3rd grade pool party (May 21) as well as our summer pool staff. I know you have already notified VSA. I also have notified the Chamber of Commerce about this issue as it affects the free swimming on I Love America.

Pool Discussion

President Lawson thanked Jason for his report and for his hard work on the pool problem. He thanked the mayor and Councilman Head as well for their support. He also thanked Rebecca Hartsough, president of VSA and Hunter Carroll, president of BSL for their attendance. He reassured them that their efforts toward increasing participation will not go unnoticed and the park board will do all it can to keep their programs where they are. He opened the floor for question to the park board and Jason in regards to the pool breakdown. Brian Davis stated they would have to go to the city council for an appropriation.

Rebecca Hart informed the board that with VSA having over 170 swimmers the YMCA cannot accommodate them. Nor they can accommodate the West 3rd grade pool party. Their goal is 200 swimmers. To have the pool shut down is frustrating.

The board discussed the possibility of rental equipment to run the pool. That would be the first option per President Lawson.

MAYORS REPORT

The mayor said his experience with the sports leagues has been positive and he looks forward to the future.

PUBLIC SERVICES REPORT

We are in communication with TCU, a consulting company recommended by the library, about the future and moving forward.

OLD BUSINESS

No old business.

NEW BUSINESS

Park Board By-Law Revisions-

Park Board By-Laws were presented in written form for consideration by the Park Board. These by-laws were discussed last month at the work session. Pursuant to our current by-laws, we are not able to vote on those today. This item will be postponed until the July park board meeting for approval.

Field Use Policy Variance (VHGSA)-

Kirk McCulley said that Lyles Box had approached him several months ago about adapting the current field use policy rule in regard to their Vortex travel teams. In reducing the percentage of the residency requirement from 80% to 50%. Lyles came to the February work session meeting. He presented and answered lots of questions in regards to that. The major benefit is they could form two teams to four teams which would allow more girls to play within their own age group.

Per Lyles, he went out and tested the market of some other park sponsored travel teams such as Hoover and Trussville. They both have the 50% or less requirement in their parks. That fits within our market. He would be able to recruit girls from other parks. Instead of limiting Vestavia girls it would actually allow them to continue to play.

Kirk McCulley made a motion to approve the Field Use Policy Variance. David Myers seconded the motion. The motion carried unanimously.

VHYB By-Law Revisions-

Per Kirk McCulley, Bill Morrison, president of baseball talked to him about revising the by-laws, its governance and the shape of the board.

Per Bill, they wanted to change the name to Vestavia Hills Baseball Club. They are starting to reach into high school age kids and want to accommodate all youth including preteens. Also, the size of their board is challenging to manage. They would like go to a two tier board. A board of directors, made up of eight or nine people. Next, an executive committee.

President Lawson noted that the revised by-laws were sent out yesterday and have been read by everyone. But were not included. He will email them to supplement the packet.

President Lawson asked for a motion to approve the baseball by-law revisions. Kirk McCulley made a motion to approve the VHYB By-Law Revisions. Anne Smyth seconded the motion. The motion carried unanimously.

Civic Center Building Security Policy

Per the recommendation from the Vestavia Hills Police Department, this policy shall institute controlled access in the best interest of public safety.

All patrons will enter the Civic Center building (1973 Merryvale Road) through the main entrance of the building. The other exterior doors will remain locked throughout the day, with exceptions made only through city staff.

If any of the rear portions of the building are being used, the designated group member of the class and/or program may be stationed at the exterior door and let their fellow members in through the locked/secured doors. This will allow especially our senior citizen population the ability to park and walk a close distance to their class room.

Swimming

July 2018

VSA held an emergency board meeting on May 15th, however, much of what was discussed is now mute. Regardless, I have included those minutes as follows:

VSA Board Meeting @ Vestavia Y

5/15/18

[9:30-10:45](#)

Board Members Present:

Rebecca Hartsough
Jennifer Hunsburger
Melissa Mayfield
Catherine Murphy
Melissa Rubin
Derrell Winter

A.) 501C3 Status Discussed

- needed by end of May
- VSA changing to VHSA (\$300)
- VSA board is reaching out to David Myers.
- discussed assets of VSA at [Wald Park](#).

B.) Discussed Renting Filtration System

- possible second opinion from Cox Pool Company

C.) (1.) Discussed moving practices to Vestavia YMCA

- possible refund date June 1st to begin processing any refunds
- about 105 kids registered
- start date Tues. May 29th?

(2.) Insurance/What are we paying the Y?

- Will VSA pay or will money

come from Vestavia Parks
and Rec?

D.) Email to Families

- tentatively working to move practices to Vestavia Y
- waiting to hear back from the City
- refund window
- no practices next week

Upon notice that a rental filtration unit would be secured, VSA opened registration again began its season a week later than scheduled and advertised.

We enrolled 169 swimmers for the 2018 season. That does not include the one swimmer that requested a refund because they registered with a different club due to pool situation at Wald Park.

Currently, the VSA board continues to reestablish 501c3 status. We applied for a new EIN number and have voted to accept new bylaws under the name Vestavia Hills Swim Association. This needs approval by the Parks and Recreation Board.

Additionally, this season the entire JSSC implemented a new meet scoring system that is run by MeetCentral. All timing and disqualifications are managed through iPhones. This system required some new equipment including a router. Most equipment was provided at no cost by the JSSC. In future years there will be a \$4 per swimmer fee that will be passed on directly to individual registrants to use the meetcentral system. As with any new system, there has been a learning curve but we hope it will be improved upon for next year.

At the time that these notes are being written, we have one additional regular season meet and the Senior County Meet which is open to qualifiers only. We are currently 3-1 this season, only having lost to Homewood by 10 points. Had the meet not been rescheduled because of weather, we believe that we would have won. VSA placed second overall in the SBY Invitational with 30 swimmers participating. Our family fun night and awards ceremony is July 17th at the pool. The season will conclude on July 27th with our Intrasquad Meet.
