SYNOPSIS AND STAFF RECOMMENDATION CONCERNING
APPLICATION BEFORE THE PLANNING AND ZONING COMMISSION

Date: MAY 9, 2019

• **CASE:** P-0519-23

• **REQUESTED ACTION:** Conditional Use Approval For Home Occupation

• **ADDRESS/LOCATION:** 621 Liberty Lake Drive

• **APPLICANT/OWNER:** Catherine Waters

• **GENERAL DISCUSSION:** The applicant wishes to conduct a home based business in Liberty Park. As required by the Liberty Park PUD a conditional use permit is required for a home based business. A description of the applicants business, as well as an approval letter from Liberty Park and the apartment complex is attached. The property is zoned PR-1.

• **Liberty Park Master Plan:** This request is consistent with the procedures of the Liberty Park PUD.

• **STAFF REVIEW AND RECOMMENDATION:**

  1. **City Planner Review:** I have looked at all of the relevant zoning / subdivision requirements related to this proposal, including application, notification, setbacks, area of lot development, etc. Notification has been sent to property owners pursuant to Alabama law. I have reviewed this request and find it does meet the minimum requirements of the proposed zoning.

  **City Planner Recommendation:** I recommend the Commission recommend approval with the following conditions:

  1. Home occupations shall be conducted only in the principal dwelling. No more than twenty-five (25) percent, up to 500 sq. ft., of the dwelling may be used for a home occupation.
  2. There shall be no outdoor display or storage associated with the home occupation and no commodities shall be sold on the premises other than by phone, mail or internet. No goods shall be delivered to a purchaser on the premises.
  3. No sign may be attached to the dwelling or any part of the real estate advertising any home occupation.
  4. No home occupation shall be permitted if it creates noise, odors, vibrations or traffic congestion, which interferes with the residential qualities of the neighborhood insofar as health, safety, morals, convenience and general welfare are concerned.
5. In order to be a permitted home occupation, the use must be one which is habitually, customarily, and commonly established as a reasonable incidental, accessory, subordinate and secondary use. The existing dwelling shall not be enlarged to accommodate the home occupation; nor shall any accessory structure be built for the purpose of operating the home occupation.  
6. No home occupation shall be permitted that requires the operation or keeping on premises of a commercial vehicle.  
7. No persons other than members of the family residing on the premises shall be employed by the home occupation.  
8. Home occupations shall be limited to the hours between 7:00 a.m. and 10:00 p.m.

Dear City Council,

I would like to work from home as an author. I do manage my website from home and would like to be able to store a box of books in my house to take individual orders to the post office for delivery. I will not be having delivery trucks coming to my apartment for work purposes. There will be no signage. I am asking for permission in order to fulfill orders and pay the appropriate taxes to the city of Vestavia, Jefferson County, and Alabama.

Thank you for considering this request.

Sincerely,

Re: Catherine Waters
621 Liberty Lake Drive
Vestavia Hills, AL 35242

Dear Ms. Leavings:

We are writing in connection with the above matter. We understand Catherine Waters is in the process of applying for a conditional use within the PR-1 (Planned Single-Family Residential) classification of the Liberty Park PUD to allow her to conduct a home occupation as an Author in her residence.

The Liberty Park Covenants, Conditions and Restrictions, that are applicable to this subject property, provide for use of any portion of a Dwelling for personal use as an office subject to the following conditions and restrictions:

1. There shall be no customer, client or employee traffic to, at or near the residence that is generated, directly or indirectly, by the home occupation;
2. There shall be no pick ups or deliveries to the residence that are related, directly or indirectly, to the home occupation, including without limitation, pick ups and deliveries by overnight courier services and pick ups and deliveries of inventory, samples or other goods and services related, directly or indirectly, to the home occupation;
3. There shall be no signage on the property related, directly or indirectly, to the home occupation; and
4. In all respects, there shall be no means, visual or otherwise, by which a casual observer would become aware that the residence is being used for any purpose other than strictly residential.

Therefore, we respectfully request that if the Planning and Zoning Commission votes to approve the conditional use applied for in the above referenced matter, such approval will be made subject to the above and foregoing restrictions.

If you have questions or comments regarding this matter, or if we can assist in any other way, please call me at 205-945-6459.

Very truly yours,

CITY OF VESTAVIA HILLS
SYNOPSIS AND STAFF RECOMMENDATION CONCERNING
APPLICATION BEFORE THE PLANNING AND ZONING COMMISSION

Date: MAY 9, 2019

- **CASE:** P-0519-24

- **REQUESTED ACTION:** Rezoning Vestavia Hills R-2 to Vestavia Hills R-9

- **ADDRESS/LOCATION:** 1109 Winward Lane

- **APPLICANT/OWNER:** Paul and Gail Ausbeck

**GENERAL DISCUSSION:** Applicant is seeking to rezone 1109 Winward Lane from R-2 to R-9. The applicant would like to build 2 new single family detached homes. 1109 Winward Ln. already consists of two platted lots. The property is currently vacant. The setbacks for the two homes would be 25’ in the front, 20’ in the rear and 5’ on the sides. There will be a shared sewer easement parallel to Winward Lane leading to Mission Road and an access easement along the rear of lot 9-A.

- **VESTAVIA HILLS COMPREHENSIVE PLAN:** The request is consistent with the plan for medium density residential.

**STAFF REVIEW AND RECOMMENDATION:**

1. **City Planner Review:** I have looked at all of the relevant zoning / subdivision requirements related to this proposal, including application, notification, setbacks, area of lot development, etc. Notification has been sent to property owners pursuant to Alabama law. I have reviewed this request and find it does meet the minimum requirements of the proposed zoning.

   **City Planner Recommendation:** No recommendation

2. **City Engineer Review:** I have reviewed the application and I have no issues with this request.

3. **City Fire Marshal Review:** I have reviewed the application and I have no issues with this request.

4. **Building Safety Review:** I have reviewed the application and I have no issues with this request.

Figure 18: Highway 31 South Land Use Analysis

- Neighborhoods: primarily low/medium density, single-family residential areas with higher density near village centers. Other uses may include schools, places of worship, recreational areas, and open spaces.
- Village Centers: mixed-use centers with highest densities in core areas. Uses may include retail and service businesses, professional offices, high-density residential areas, recreation areas, and public spaces.
- Commercial Core: promote high-density retail and service businesses with professional offices and medium-density residential areas above floors or on rooftops. Other uses may include transportation and public spaces.
- Gateway and Nodes: gateways are entryways into the community or village enhanced with common signage, landscaping, and other elements. Nodes are sites, such as transit stops, where public spaces, signage, and other public design elements should be considered.

- Professional Offices: primarily professional village uses. Density should vary according to increased facilities. Other uses may include retail and services (supporting offices and employers), plans of service, public spaces, and open spaces.
- Recreation and Open Space: public and private recreation facilities and preserved natural spaces. Recreation facilities may be active, passive, or combined. Open spaces are seen preserved in a natural state and may include passive recreational uses.
- Trailheads: Trailheads are public sites along a trail, where bike trails, walking, parking, and public amenities are provided for trail users.
- Schools: School facilities administered by the Vestavia Hills School System.
