Superintendent's Report:

Jason Burnett:

- Sometime in the next week, we will have new batting cages frame and turf in between LP 1 and 2 to replace old.
- The Futsal/Pickleball courts are open at SHAC. We had a great tournament to open it up. It is open daily from 7am-10pm.
- 6-year-old Baseball tournament at CHP went well. Both VH teams won gold and silver brackets.
- Looking at Jan 1st to launch Sportsman rec software.

- Tree Lighting at city hall will be Dec 1, Breakfast with Santa will be a drive thru experience this year on Dec 12, LP Parade will be Dec 13.

Mayor Curry asked about the procedures for Breakfast with Santa. Brian responded that Dunkin Donuts will pre-bag donuts and donut holes for each participant. The Santa Chair and Santa will be present to wave and if people walk up then they can talk with Santa and take pics however, the intent is for people to drive through. Brian Davis commented; Christmas Tree Lighting will be on December 1, 2020 at 6:00pm. There will be entertainment but not the usual students (due to protocol and guidelines). Please encourage people to attend. The Christmas Parade will be on Sunday, November 13, 2020. Paul, please confirm with Coach Anderson for the parade. Would like to encourage some of his players (current and former) to follow behind them in the parade. We will not be having a party at the end to encourage people to stay distanced. There maybe a few vendors but not a lot. Santa will be walking around but the "chair" will not be there.

Sandi Wilson:

VH Girl's Rec Basketball
OTM League Proposal

Executive Summary

The VHYGB "sanctions" competitive teams for girls in the 3rd-6th grade. VH Coaches that put together OTM or Competitive Teams can be sanctioned by the Board of the VHYGB. Once approved these teams can use Rec/School Gyms for practices, use Rec Uniforms and use other Rec Equipment (basketballs, blocking pads, cones, pennies, etc...). To be sanctioned the players on each team's roster must play in the rec league, the coaches must coach in the rec league or meet the same requirements as rec coaches. In addition, while we do not formally assign players to teams (although we may in the future), we do help put teams together & we try to find a spot for any girl that wants to play OTM/Competitive who has the capacity to do so.

This year our OTM teams have requested to play some Jingle Bell Jam games and some OTM League games in VH gyms where space allows and so that there is no interference with rec league games or practices. The OTM League will provide all the necessary agreements and insurance as required by the VH BOE.

This request was made to the Athletic Director and Assistant Superintendent over facilities and the request was approved.

In exchange for gym use, we are also proposing a per game fee that includes the cost of the gym monitors plus an additional amount for the gym rental. The total fee being proposed is \$35 per game. The fee will be paid by the OTM League. As the Jingle Bell Jam is a fundraiser for charity, we are proposing that VH make a donation of \$20 per game from the collected fees, back to the JBJ to support the fundraiser.

For regular OTM League games the \$35 per game fee would cover the \$10 per hour for the gym monitor and \$25 will go back to the Rec Dept for future use by the Girl's Rec League.

If the issue is not resolved by the coach or league director, the complaint, grievance, or request should then be presented to the Divisional Representative. If the Divisional Representative is unable to resolve the complaint, grievance, or request, then the member, participant, coach, or referee shall have the right to request corrective action or relief from the Executive Board.

B. Procedures

The President is authorized to develop specific procedures that will provide for fair consideration and orderly review of complaints and grievances. Such procedures may not unreasonably burden or delay the presentation or processing of such matters, and will be subject to Executive Board review, modification, and approval.

C. Appeal to the Parks Board

Should the Executive Board not satisfactorily resolve the complaint, grievance, or request for relief, the Member, participant, coach, or referee may request relief or corrective action from the Parks Board. Soccer Club Report for Parks and Recreation Board November 2020

Fall soccer is still going strong. We have the Final Four of State Cup in Foley this weekend.... We have 5 teams that have made it to the finals.

The competitive program has had a few cancelations due to covid issues with our team, or the opponents. We have created a covid reporting portal, where once the form is submitted, it goes to a committee of doctors and myself, so they can rule on each case.

Mitigation efforts include new signage, and no tents or team benches allowed to promote social distancing. Also, our coaches are instructed to mask up at all times, unless socially distant.

Recreational soccer has had a great season, due partially to few rain-out, great facilities, and a surprisingly small number of covid cases. We awarded over \$49,000 in family credit vouchers this fall, to players who were registered for the truncated Spring 2020 season.

One of the casualties of covid was the TopSoccer Program, which we had to push to spring (hopefully!).

Recent events (all via Zoom) include our annual College Night (over 200 families joined the call), and our first ever Town Hall Health Check, where we had our covid committee present recent findings and take questions.

Let me know if you have any questions or concerns.

- Our 8U All Star team was the USSSA state champion. Press release was published by Vestavia Voice
- most of the travel teams are done with their season.
- we'll begin planning for spring in December/January VHGSA meetings.

Soccer Club Report for Parks and Recreation Board January 2021

This is usually a pretty quiet time for youth soccer, but this year we have started back on Jan 5th as our high school-aged teams still have games this month.

Covid has shuttered the Boys and Girls Disney College Showcases, so we will have to work extra-hard to match last years total of 17 college signees.

As for Spring soccer, recreational registration is on-going through mid-February, and this year we added radio adds to our marketing plan.

Let me know if you have any questions or concerns.

**Respectfully submitted by:
Rocky Harmon
Executive Director**
